Circular L etter No. 31.

Subject: TEACHERS' LOANS.

To Supervisors of Schools.-

I am sending you herewith a number of applications for loans made by women teachers in your district. In the case of those who are married will you be good enough to ask them to give you a sworn statement as per the attached form? Please return the statements and the applications at the earliest opportunity so that the requests may be passed upon by the Loan Committee.

Very cordially yours,

(Signed) JOSE PADIN,

Commissioner of Education.
